## CAPTAIN COCHRAN

Hero in Princeton's Victory Over Har-  
vard's Oarsmen—Tigers' Varsity  
Beats Crimson By Half Foot  
On Lake Carnegie.

The following article is an excerpt  
from the Philadelphia North Ameri-  
can of Friday, April 21, and tells of  
the great work done by Captain Rob-  
ert Cochran, son of Judge A. M. J.  
Cochran of this city:

Princeton, N. J., April 20.  
Captain Bob Cochran, the lanky  
stroke oar of the Princeton varsity  
eight, shot his shell over the finish  
line ahead of Harvard on Lake Car-  
negie late this afternoon and won one  
of the greatest rowing races ever held  
here.

Princeton's margin of victory over  
the 17-8 mile course was less than a  
foot.

There were hundreds in the big  
crowd that were willing to bet that  
it was even less, while the Harvard  
men insisted that it was three feet. At  
any event, Princeton won and it was  
virtually due to the magnificent stroke-  
ing of Cochran, who was absolutely  
new in the race seat.

Cochran weighs 158 pounds, but is  
a bundle of nerves and fight. From  
the time that he stroked the Tiger  
shell away from the starting buoy until  
the crew flashed over the line a win-  
ner, Cochran was the life of the boat.

Princeton led all the way and vir-  
tually won the race in the first quar-  
ter mile, when Cochran sent the Tigers  
cutting through the lake at a 36 clip.  
From the low path along the canal  
it looked like an even higher stroke.  
Harvard also used a 36 at the get-  
away, but there was not the same  
snap in its stroke as Princeton's.

Although Harvard had virtually a  
veteran crew and Princeton's shell  
was manned by only three seasoned  
men, the New Englanders could not  
win. Cochran, Lee and Gadebusch  
were the only veterans in the Tiger  
shell, but the entire crew showed ex-  
ceptional form for so early in the sea-  
son.

### MASON COUNTY COURT.

The following business was trans-  
acted in the Mason County Court Mon-  
day:

A paper bearing date of March 21,  
1913, purporting to be the last will  
and testament of R. G. Bullock, de-  
ceased, was produced in court and or-  
dered filed. The due execution of said  
paper was proven by the testimony of  
Miss Jennie C. Bullock and Miss Sallie  
G. Bullock, attesting witnesses thereto,  
and was admitted to probate.

Mrs. Jennie C. Bullock, named in  
the last will of R. G. Bullock, deceased,  
as executrix thereof, appeared in court  
and qualified as such without surety,  
as was requested in said will.

Arch Rash, D. F. Campbell and D.  
M. Halfhill were appointed to appraise  
the personal estate of R. G. Bullock,  
deceased.

### PERSHING MOBILIZING SOLDIERS IN DISTRICT OF NAMQUIPA.

El Paso, Texas, April 25.—Infor-  
mation received here yesterday, by an  
American mining concern with large  
interests in the Guerrero district, stat-  
ed that the majority of the American  
troops were now concentrated near  
Namiquipa. Two weeks ago, according  
to the same sources, there were 2,000  
United States soldiers camped at San  
Antonio, sixty-five miles southeast of  
Namiquipa, with a large quantity of  
supplies.

It is said that at present there are  
not more than 300 troops at San An-  
tonio, the remainder, together with  
most of the supplies, having been  
withdrawn north.

(Huntington Herald-Dispatch.)  
The wedding out process has start-

Two embryo tossers were treated to  
some tin can music yesterday and the  
orchestra will not quit playing for  
several days, according to Manager  
De Armond. Thirty players were out  
in uniform yesterday and were ship-  
ped. Class D, quality except in rare cases.  
Einsfeld and Albright were shipped.  
They were not given their honorable  
discharge, because of the inability  
to play, but because the other catch-  
ers have shown better during the  
early training period. Both will go  
to Maysville for a tryout.

The battle for the catchership lies  
between McDaniels and Leibbrook.

curing a marriage license, was mar-
